*Webinars are for personal or single-office (e.g. a conference room) use only and may not be rebroadcast, retransmitted, shared or disseminated. In addition, AAPC local chapters or other groups of individuals representing multiple companies or separate offices within a single facility do not constitute a "single-office" and may not share a single event or subscription webinar license. A computer with a high speed Internet connection and speakers (or headphones) is recommended to connect to the event.
