- Blackboard Learn requires the latest version of Sun JRE 6. The JRE can be downloaded from: <http://java.sun.com/javase/downloads/index.jsp>
- The following technologies are not supported:
  - Internet Explorer 7 and Internet Explorer 6 (or earlier)
  - Firefox 1.x, 2.0, 3.0, and 3.5
  - Safari 2.0, 3.x (or any version on Windows)
  - Mac OSX 10.4 "Tiger"
  - Java 5
- Internet Explorer 8 and Internet Explorer 9 are tested in Standards Mode. Some known issues can be resolved by using Compatibility Mode (emulates IE7 behavior).
- Both Google Chrome and Mozilla Firefox have moved to a rapid release cycle. At the time of testing, Chrome 10.0 and Firefox 4.0 were the latest available versions. Since then, new stable versions have been released and widely adopted. Blackboard is supporting all newer stable versions of Chrome and Firefox.

Support Level	What this means
<b>Certified</b>	Fully tested and supported.
<b>Compatible</b>	Partially tested but should function properly.
<b>Provisional</b>	Future technologies considered supported by Blackboard Support. (Support is planned for the future. Configurations are still in testing stage. Technology may be used, but it is so new that there may be unknown issues that could affect performance.)
<b>Unsupported</b>	Either impossible or not tested. (The configuration is not tested or supported by Blackboard. Not recommended to use this technological configuration.)
